WHITE RUSSIAN ODYSSEY

After years of wandering the first Soviet exiles are granted a temporary haven in the Philippines

Not long upon a a commat island in the Philippines, a 6-month-life shift of Rippines parents died and nor barrier (repeate). The shift had been converged in Tibes, in China's remote interpret promine of Stationg. It had been carried in its mother's smelt 1,000 miles to Lore have where \$7 was large and thou in her arms 1,000 miles more to Shanghar and 1,000 miles have and Shanghar to the following Sames. This promise has a large and Shanghar to the foliant of Samue. This strongs and trapic objects of the child was not not thought to be provide or their people. For 30 years White Boston releagess from the formet Lance base worshood across the text sings of Line about morning into beyond the reaching arms of Communican, Until last year Stronghat was the altimate bases. They the sweep of Chinese Communical armice and the proveing presure exerted to Soviet officials on stateless refugees made Stanghai a tisky satisfancy. The International Refugie Organization came to the rescue with an offer of temperary thefter in the Philippines, In January the migration begon, by our and Chinese commer. Among the negrantic were the Rueslanc of Tilma, who had Bed the Soviet I more in the early 1000s to escape the collec-Unitation program and then had gone on in the court. There were nearly 5,000 from Shanghai triedl, professional men, merchanis, shurchmen, plate people. who man again had to find and make a new world for themselves. There were some L300 refugers who had reclaimed Bassian attaceship after the war and then-frightened by granted letters from "home" - had changed their minds and resourced it (brown, Finally there were the non-Russian stateless whin have come to share the dualilities of the Societ refugees. Shanghallanders of Baltic, Palesh and Corch anteredents whose countries now lie behind the curtain. The new same in but and sticky Samer was no permanent answer, but it would provide temporary shelter while the refugees waited for visus or a new senctions. For some, like the child of the Tiline family, there would be graven.

PUBLIC NOTICES in Shanghai papers reveal the new divillationment of refugees, what accepted Soviet citizenship after war but got warrings in time from friends now in Bossia.
